Instructions:

Be ready for practice with The Champion Sports Deluxe Heavy-Duty Basketball Cart. The cart holds up to 15 official-size basketballs and can easily be moved to the court for convenience on the cart's four casters that lock in place.

1. Lay all parts out before assembly.
2. Begin with end frame A and attach the six horizontal bars by using M8*60 bolts, washers and nuts. Figure 1.
3. Attach end frame B to the six horizontal bars already attached to end frame A and secure with the remaining M8*60 bolts, washers and nuts. Figure 2.
4. Make sure all hardware is tight and secure. Your cart is now complete. Figure 3.
