

Features:

- 1" Heavy-duty steel side frames and cross bars
- Blue powder-coated finish
- Holds up to 12 basketballs
- Heavy-duty swivel casters
- 38"L x 17.5"W x 35.75"H

Parts:

- 2 Side frames
- 10 Hex head screws and flat washers
- 10 Threaded inserts
- 5 Crossbars
- 4 Casters
- 4 Caster inserts
- Tools required: 0.5" box wrench or adjustable wrench

Instructions:

The Champion Sports 12-Ball Deluxe Heavy-Duty Cart helps keep basketballs and playing balls organized or out of the way during games and practices.

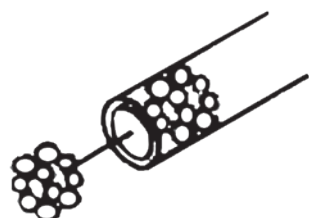

1. Push one threaded insert approximately 0.5" into each of all the crossbars. Note that the inserts are slightly concave. This allows the insert to push into the crossbar but not pull out. Figure 1.
2. For best results, thread one of the hex screws into the concave side of the insert, place it over the end of the crossbar and gently tap the head of the screw until the insert is seated at the proper depth. Remove the screw and the insert will hold its position. Figure 2.
3. Position the caster inserts into the bottom of the side frame tubing. Gently drive into place. Assemble the casters into the bottom of each side frame. Figure 3.
4. Assemble the lower middle crossbar to the two side frames. Assemble the remaining hardware loosely to the ends of the remaining crossbars and set these into the slots on each side frame. Tighten all hardware. Figure 4.

PLEASE NOTE: For safe operation and continued high performance from this equipment, inspection and maintenance must be performed before each use. The use of this equipment other than intended may be hazardous. Alteration or modification of equipment may be hazardous. For repair or replacement, please call the dealer.
