

Features:

- 1.5" D Steel tubing
- Holds up to 15 basketballs
- Heavy-duty swivel casters
- 44" L x 22.4" W x 45.3" H

Parts:

- A Two leg units
- B Three shelves
- C Twelve screws
- D Twelve washers
- E Twelve nuts

Assembly Instructions:

1. With the logo panel on the leg unit **A** facing outward, insert a screw **C** into a hole **O** in the leg unit. Figure 2.
2. Align the hole on the shelf unit **B** with the screw and push through to connect the leg unit and the shelf unit together. Figure 2.
3. Slide a washer **D** onto the threaded end of the screw. Figure 2.
4. Thread a nut **E** onto the end of the screw, turning it clockwise to secure it onto the screw threads. Figure 2.
5. Following Figure 1 below, repeat steps 1-4 for the remaining hole **O** locations.
6. Do not tighten the hardware during assembly until all of the leg units, shelf units and hardware are in place first. Then tighten to secure the rack.
