

U-RING DOUBLE MEDICINE BALL TREE

DTM1

Features:

- Rack can hold up to 8 medicine balls
- The space between the prongs is 7"
- Welded for strength
- Assembled size 28"L x 28" W x 60" H

The Champion Sports U-RING DOUBLE MEDICINE BALL TREE is great for any gym or workout room. It is constructed of durable steel with secure welding to keep your medicine balls in place. You can now access them easily during workouts.

Assembly:

1. Lay all parts out before assembly.
2. Connect the vertical rod to the main bottom frame and secure with M8 bolts, nuts and washers. Tighten securely. **FIGURE 1**
3. Start from the bottom and align and attach the U-Brackets on each side to the vertical rod. Use M10 bolts, nuts and washers. NOTE: U-Brackets are all the same size. **FIGURE 2**
4. Repeat the process all the way up and be sure to tighten all U-brackets securely. **FIGURE 3**
