

FHG72

72 INCH COLLAPSIBLE HOCKEY GOAL

Features:

- High-impact resistant 1" diameter ABS hockey goal
- Fully foldable and collapsible
- All-weather net with heavy-duty nylon sleeve
- Storage size: 5" deep
- 72"
- Red/White

Instructions:

Made with 1" ABS plastic and a heavy-duty nylon sleeve, the Champion Sports 72 Inch Floor Hockey Collapsible Goal is weather-resistant, meaning it can be used for indoor floor hockey games or outdoor street hockey games.

1. Assemble the frame while inserting the plastic poles into the sleeves of the net. Make sure that the hinge connector fitting is LOCKED. Figure 1
2. Make sure Pole #2, #7L, #7R, L-Bends connector, & T-Bends Connector are inserting tightly on the frame. Figure 1
3. Twist the hinge to the UNLOCKED position, and take out Pole #8 & #9 to collapse the top and Bottom of goal. Figure 2 and 3
