

# HG30

## PRO HOCKEY GOAL

### Features:

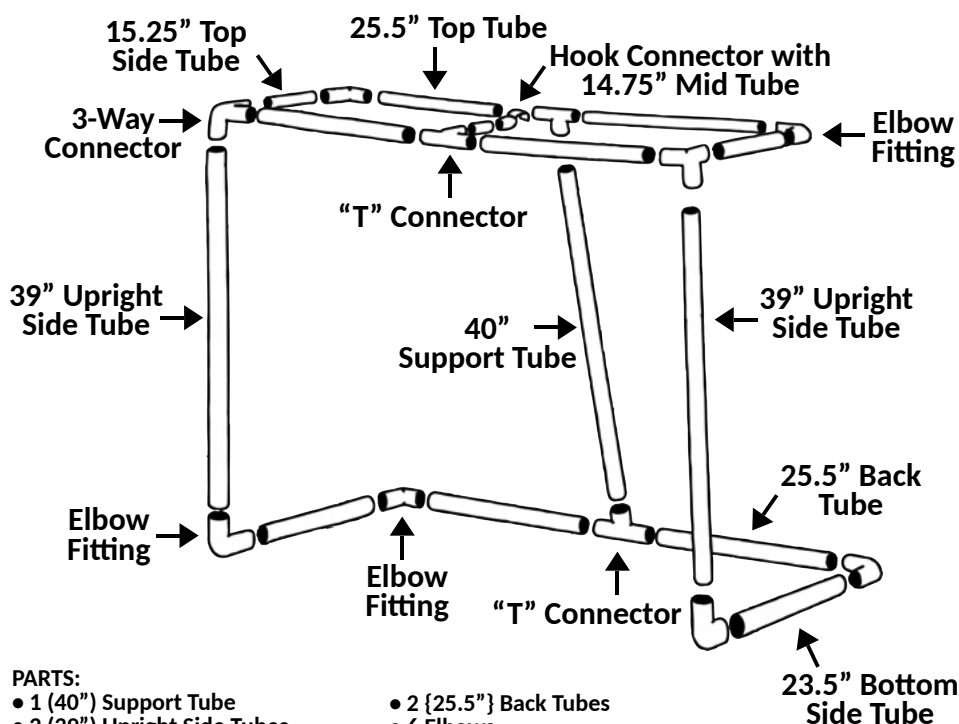

- Official size hockey goal
- 1-5/8" heavy-duty plastic tubing
- All-weather net with heavy-duty nylon sleeve
- Deluxe netting for use indoors or outdoors
- 54"W x 42"H x 27"D
- Red/White

### Instructions:

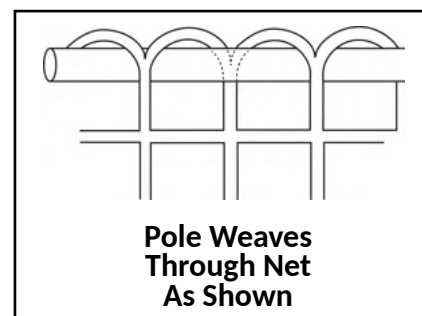

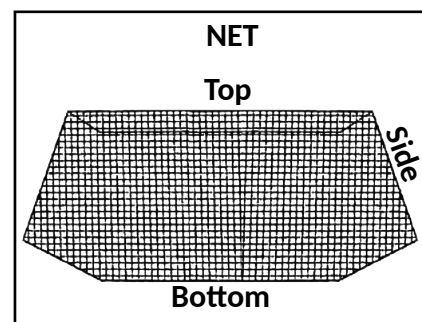

Designed for indoor or outdoor use, the Champion Sports 54 Inch Pro Hockey Goal features an all-weather netting and heavy-duty nylon sleeve for protection against rain, snow, and dirt.

1. Using the straight tube connector, assemble the back and top tube.
2. Spread the net out and thread the back tube through the back edge of the net.
3. Add the elbow fittings to the ends of the back tube.
4. Thread the bottom side tubes through the bottom side of the net, then insert the bottom side tubes into the back tube elbow.
5. Add the elbow fittings into the bottom side tubes open end up.
6. Thread the upright side tubes through the side of the net, then insert upright tubes into the elbow fittings of the bottom side tubes.
7. Add the two remaining elbow fittings to the top of the upright & upright side tubes.
8. Thread the top tubes through the top net then insert the top tubes into the hook connector.
9. Assemble the top tube section with the straight tube connector, then thread the top tube through the top edge of the net and assemble into top elbow fittings and "T" connector.

#### PARTS:

- 1 (40") Support Tube
- 2 (39") Upright Side Tubes
- 4 (25.5") Top Tubes
- 2 (23.5") Bottom Side Tubes
- 2 (15.25") Top Side Tubes
- 1 (14.75") Middle Tube
- 2 {25.5"} Back Tubes
- 6 Elbows
- 3 "T" Connectors
- 2 Three-Way Connectors
- 1 Stopper
- 24 Screws

NOTES: Assemble the fittings loosely until the set is complete and the net is properly attached. The enclosed screw can be used in the elbows if a tighter fit is desired.
