

MBR6

WALL MOUNTED MEDICINE BALL RACK

Features:

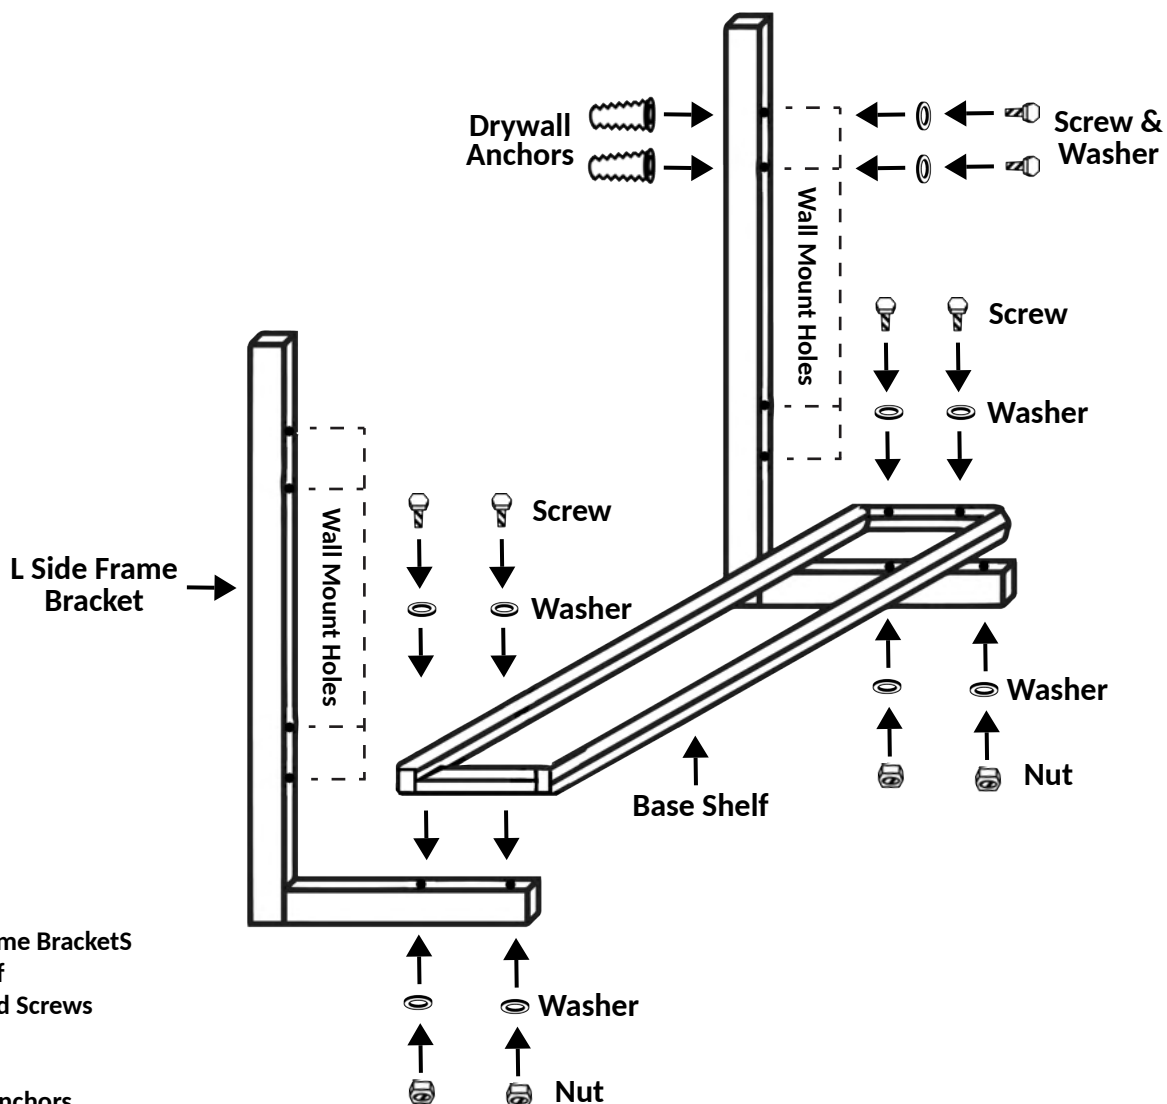

- 1" powder-coated square steel tube frame
- Holds up to 6 medicine balls
- Space-saving wall-mount design
- 48"L x 13"W x 19"H
- White

Instructions:

Free up some space in any workout area with the Champion Sports Wall Mount Medicine Ball Storage Rack.

1. Attach base shelf to each wall mount L-side frame bracket with two screws and washers through each of the threaded holes and secure screws with a washer and a nut.
2. Attach the wall mount unit using the appropriate holes & hardware. If you have drywall, use the drywall anchors to secure the rack. Be sure the screws are snug, but don't overtighten them.

PARTS:

- 2 L Side Frame BracketS
- 1 Base Shelf
- 12 Hex Head Screws
- 4 Nuts
- 16 Washers
- 8 Drywall Anchors
