

# NB7236

## PITCHING SAFETY SCREEN

### Features:

- Overall size with 36" drop
- Heavy-duty 1.5" steel tube frame
- Reversible design is great for left-handed or right-handed thrower
- Durable heavyweight nylon netting
- Pillowcase style netting easily slides over frame
- 72" x 72"

### Instructions:

Protect pitchers from line drives during batting practice with the Champion Sports Pitching Safety Screen.

1. Assemble the frame as shown in the diagram. The parts secure together with push pins. Insert end caps at the ends of the support legs. Figure 1
2. Pull the pillowcase net over the frame. Secure bottom of screen to the frame with bungee cord loops . Use stakes provided to secure screen to the ground. Figure 2
4. For storing or transport: Remove bungee cord loops. Remove pillow case net. Disassemble the frame.
