

PROT

PORTABLE BATTING TEE

Features:

- Helically wrapped cone ultra-flexible rubber cone top
- Aluminum telescoping stem, adjusts from 23" to 43"
- Solid steel screw, base detaches
- Retail packed
- Silver/Black

Instructions:

The Champion Sports Portable Collapsible Battering Tee is made to help improve hitters swing and eye-hand coordination skills.

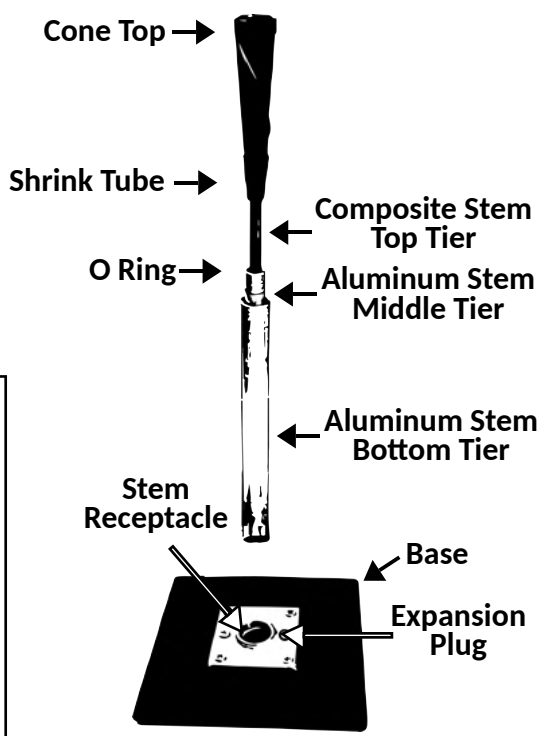

1. Place the stem completely over the expansion plug located on the base.
2. While holding the stem over the expansion plug, turn the stem clockwise to secure stem to the base.
3. Turn the stem counter clockwise four full rotations to loosen stem.
4. Stand on the base and lift up on the stem to separate the stem from the base.

General Care:

- To clean, wipe stem with mild detergent soap mixed with water, use clean towel to dry.
- Do not add additional lubricant to tee stem pieces.
- Do not over tighten, a snug fit is sufficient
- When not in use, store in cool, dry environment.
- If needed, a 10 pound (lbs.) weight can be placed on the tee base to increase stabilization during use.

PARTS:

- Cone Top
- Shrink Tube
- Composite Stem Top Tier
- O Ring
- Aluminum Stem Middle Tier
- Aluminum Stem Bottom Tier
- Base
- Stem Receptacle
- Expansion Plug

Warranty:

Your PRO-T comes with a 1-year Limited Warranty. Under normal use and care Champion Sports guarantees, to the original owner, the PRO-T to be free from defects in materials and workmanship. During this period Champion Sports will repair or replace with a new or refurbished components, at Champion Sports sole discretion, any component found to be defective without cost to the owner, provided the defective product is returned to the factory at the owners expense. Proof of purchase may be required by Champion Sports to approve certain warranty claims.
