

U-RING SINGLE MEDICINE BALL TREE

STM1

Features:

- Rack can hold 5 soft medicine balls
- Spacing between the rungs is 12.5"
- Welded steel for strength
- Assembled size 22.5" L x 23"W x 64.5" H

The Champion Sports U-RING SINGLE MEDICINE BALL TREE is great for any gym or workout room. It is constructed of durable steel with secure welding to keep your medicine balls in place. You can now access them easily during workouts.

Assembly:

1. Lay all parts out before assembly.
2. Connect the vertical rod to the main bottom frame and secure with M10 bolts, washers and nuts. Tighten securely. **FIGURE 1**
3. Start from the bottom and align and attach the U-Brackets to the vertical rod. Use nuts, bolts and washers. NOTE: U-Brackets are all the same size. **FIGURE 2**
4. Repeat the process all the way up and be sure to tighten all U-brackets securely. **FIGURE 3**
