

WBR30

3 ROW WALL MOUNT BALL RACK

Features:

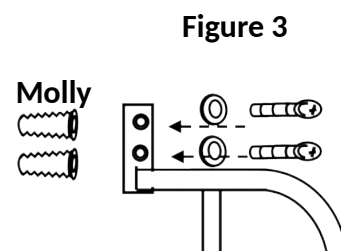

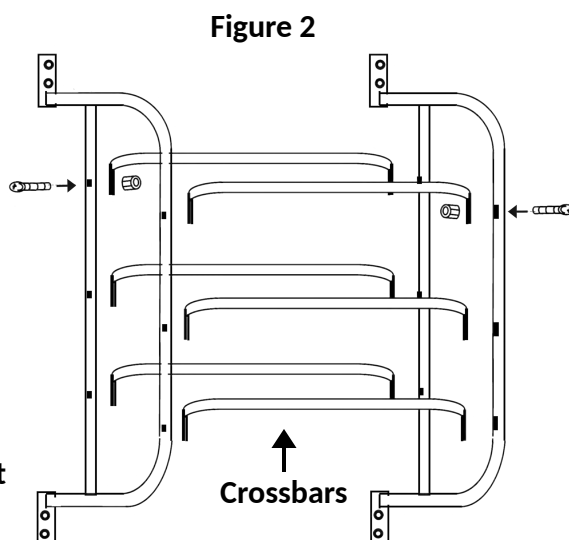

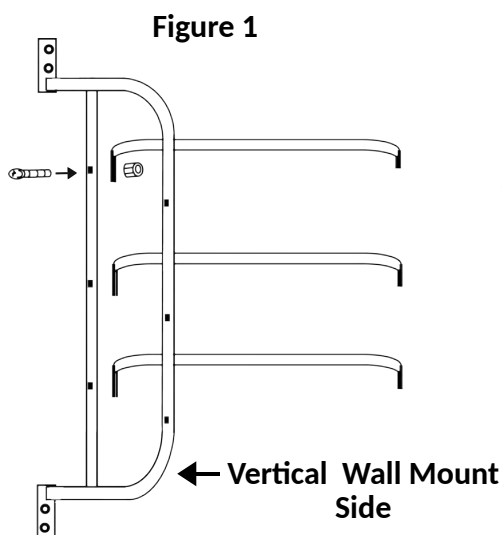

- 7/8" D heavy-duty steel tubing
- Mounts to any wall
- 3 Row wall mounted ball rack
- Holds up to 15 balls
- 40"L x 11"W x 42"W
- Silver

Instructions:

The Champion Sports Wall Rack is designed with heavy-duty steel tubing and features three rows of storage.

1. Connect the 3 crossbars to a vertical wall mount side by threading a screw through the pre-drilled holes and secure with nuts. Figure 1
2. Assemble the second vertical wall mount side the same way, repeating until all crossbars are attached. Once complete, connect the pieces. Figure 2
3. Mount to any wall (8 screw fasteners included for plaster or hollow walls) with screws making sure to use the included washers for a secure connection. Figure 3

PARTS:

- 2 Vertical Wall Mount Sides
- 6 Crossbars
- 2 Bolts
- 12 Nuts
- 8 Washers
- 8 Molly Screw Fasteners
