Instructions:

Easily create sidelines, end lines or goal lines with the Champion Sports 25 lb two-wheel dry line marker.

1. Assemble the handles Ⓑ by sliding the two pieces together, ensuring they are properly locked in place with the snap button aligned in the holes. Figure 1.
2. Position the handle assembly onto each side of the bucket Ⓐ by aligning the holes. Figure 2.
3. Insert the hex bolts Ⓓ through the handle, slide a washer Ⓔ onto each bolt, then slide the bolt through the bucket sides. Figure 2.
4. Add another washer Ⓔ and tighten a locknut Ⓕ onto each bolt.
5. Connect the adjustment handle Ⓘ by sliding the end of the rod Ⓒ with the holes all the way through (see Figure 3) until the rod can be rotated down to position the other end into the adjustment lever near the left front wheel (see Figure 4).
