The Champion Sports Badminton Set has everything you need to play a game of badminton.

1. **Pole Assembly:** Assemble poles as shown in Figure 1.

3. **Guide Rope Attachment:** Insert loop (knotted end) of guide rope with pre-attached stakes through the hole in the top section. Pull the rope through hole and slip loop over the top of the pole. Pull rope tightly so that the loop is snug around the pole. See Figure 3.
4. **Net Set-Up:** Stretch assembled net and poles across playing area until the net is taut. Press poles firmly into the ground. Holding poles in the vertical position, stretch guide ropes out and press guide rope stakes into the ground at 45-degree angle, approximately 3' to 5' from pole and 3' to 5' apart. See Figure 4.
