1. Assemble the poles number#2, 3, 4, 5, 6, & 7 as shown picture.

2. Screw in the hooks on poles number#1 as shown pictures.

3. Hook the net on poles number#1. Please be advised the two sides of the net top edge have the hook loop as below blue circle.

4. The 2 poles number#1 hook the 2 sides; the other 2 poles number#1 hook the 1/3 & 2/3 positions. (Please note the distance has to be equal.) Assemble the 4 poles number#1 to the frame together as shown.

The distance has to be equal.
5. Tie the bungee loops together with the net & poles as shown pictures.
