### ASSEMBLY INSTRUCTIONS:

1. Securely hold frame when removing from carry bag. Toss frame 5 ft. in front of you into an open area.

2. To secure goal in its upright position, insert poles into side pocket at the edge of goal and zip shut. Repeat on opposite side.

3. Insert the 4 stakes through the fabric loops at the 4 sides of the floor to secure goal to ground.

### FOR STORING OR TRANSPORT:

1. Remove stakes from ground and stow in stake pockets.

2. Remove poles from zippered side pockets and stow in carry bag.

3. Fold the goal in flat and grab one corner as shown picture.

4. Fold over to opposite corner as shown picture.

5. Push the three loops together until they overlap. Lift entire frame off the ground.

6. Congratulations!! You have successfully learned how to fold your Pop Up Goal.
