### ASSEMBLY INSTRUCTIONS:

1. Securely hold frame when removing from carry bag. Toss frame 5 ft. in front of you into an open area.

2. To Secure goal in its upright position, insert poles into the black corner sleeves. Pull the strap into the metal D-rings and secure with hook and loop closure. Repeat on opposite sides.

3. Insert the 4 stakes through the fabric loops at the 4 sides of the floor to secure goal to ground.

### FOR STORING OR TRANSPORT:

1. Remove stakes from ground

2. Remove poles from black corner sleeves and stow in carrying bag.

3. Fold the goal in flat and grab one corner as shown picture.

4. Fold over to opposite corner as shown picture.

5. Push the three loops together until they overlap. Lift entire frame off the ground.

6. Congratulations!! You have successfully learned how to fold your Pop Up Goal.
