PARTS INCLUDED:

- PART A: Uprights Pole x 6
- PART B: Net (32"x 3'') x 1
- PART C: VOLLEYBALL x 1
- PART D: HAND PUMP 6" x 1
- PART E: Plastic Cap x 2
- PART F: Plastic Spike x 2
- PART G: Ground Stake x 4
- PART H: Guide Rope x 2
  (attached on the stakes)
- PART I: Metal Clip connector x 4
- PART J: Metal Screw x 4

ASSEMBLY INSTRUCTIONS:

1. POLE ASSEMBLY
Assemble poles as shown in Figure

2. NET ATTACHEDMENT
Fasten the metal screws in the first and second holes in top section. Insert nylon ropes on top and bottom corners of net through screws hooks and secure with knots. See Figure 2.

3. GUIDE ROPE ATTACHEDMENT
Insert loop (knotted end) of guide rope, with pre-attached stakes, through hole in top section. Pull rope through hole and slip loop over top of pole as shown in Figure 3, Detail A. Pull rope tightly so that loop is snug around pole, see Detail B.

4. NET SET UP
Stretch assembled net and poles across playing area until net is taught. Press poles firmly into ground. Holding poles in vertical position, stretch guide ropes out and press guide rope stakes into ground at 45 degree angle, approximately 3' to 5' from pole and 3' to 5' apart. See Figure 4.

TIP: Squeeze the end of guide rope loop tightly between your fingers before inserting the rope into the hole in the pole. This will make it easier to push the rope through the holes.
