

RHINO® Deluxe Pickleball Net With Wheels

Model No.
PBN1000

Features:

- Powder coated, weather-resistant poly-paint
- 18' long net (fully assembled net measures 22'W x 34"H at center)
- Adjustable net tension
- Net adapts in height for tennis or badminton
- Center support wheel
- Locking 4" wheels
- Store in nylon duffel on wheels

Parts:

- **A** 2 End bases
- **B** 6 Support beams
- **C** 1 Center wheel support beam
- **D** 2 End posts
- 1 Net
- 1 Carry bag with wheels

Instructions:

1. Assemble the base by working from one side to the other, fit the support beams **B** together as shown. Make sure the parts are inserted securely into one another as shown in Figure 1.
2. Connect the support beam sections **B** with each end base **A**.
3. Insert the center wheel support beam **C** between the **B** sections.
4. Insert each vertical end post **D** into both end bases **A**.
5. Slide the net sleeves over the vertical posts. If needed, angle one of the posts inward to gain leverage.
6. Use the VELCRO® straps to extend the headband just enough to eliminate sagging.
7. Fasten the center strap as shown in Figure 2.
8. Position the net sleeves and adjust the straps half inch below the bottom of the black cap on each side for a perfect regulation 36" net height at the posts as shown in Figure 3.
9. When not in use, leave the net over the end posts **D** and simply roll up the net for easy assembly and repeated use.
