Instructions:

The Champion Sports Easy Fold Soccer Goal is designed to be easy to set up and transport.

1. Pole sections are numbered for easy identification. If not already installed, insert eight pushbuttons into the narrow ends of eight pole sections. Figure 1
2. Assemble top pole sections 1, 2 & by lining up the pushbuttons in pole 2 with corresponding holes in pole sections 1. Repeat the process for lower pole sections 1, 2 & 1. Figure 1
NOTE: The top pole section assembly 1-2-1 has the warning label facing toward the front of the goal.
3. Unfold pole sections 3 & 5 and lock at a 90° angle using a locking pin. Repeat this step for pole sections 4 & 5. These pole sections are pre-assembled.
4. Attach assembled top pole sections 1-2-1 to pole sections 5 by lining up the pushbuttons with the corresponding holes. Then attach assembled bottom pole sections 1-2-1 to pole sections 3 & 4 in the same manner. This will complete the frame assembly. Figure 1
5. Lay the net out to locate the corners A & B. (THE NET DIAGRAM IS FOR ILLUSTRATION PURPOSES ONLY, THE ACTUAL NET DIMENSIONS MAY VARY). Figure 2
6. Attach the net to the frame starting at corners A & B. Wrap a self-stick fastener around the frame and through the net at each corner.
7. Continue to attach self-stick fasteners evenly spaced around the frame. Use 5 fasteners on the top section and the rear base section, use 4 on each vertical side section and 4 on each side base section. Position "J" hooks in for securing the goal to the ground. Figure 3

WARNINGS: Adult supervision is required at all times when a soccer goal is used by children. Never let children climb on the soccer goal as this can result in soccer goal falling over causing serious injury or death. To reduce the risk of entanglement, keep small children away from the net area at all times. When properly assembled and used as intended, this soccer goal is designed to provide many hours of playing enjoyment. Unsecured goal can fall over causing serious injury or death. Loose parts can be a choking hazard to small children. Adult supervision is required during assembly.
